Dear Jeff,

I just want to thank you again for the purchase of our Brush Truck. Everybody here loves it and we have recently distributed pictures to area Fire Depts. to view our new delivery. Hopefully if someone in the area needs a new brush truck I can forward them to you for a possible purchase. Doing business with you was a pleasure, and we were all impressed by your knowledge and craftsmanship. If you need someone for a reference feel free to have them call me, I would be glad to talk to them about your product. Hopefully we will see you at FDIC and good luck in your future.

Respectfully,

Jim Kreher
