Subject: Thank YOU!

Hello -

First of all I want to thank you for the wonderful job you did on the Johnson Township Grass Truck!! Those firefighters are so proud of that truck and so very grateful for your hard work! I know first hand because my husband, Dave Elick and my son, Justin Thompson are firefighters on that department.

The other reason I write you is to ask how to display the picture/graphic of the trucks on your new deliveries page on your web site. Dave went to the site to see the pic of Johnson Township's truck but we can't get the pics show. It takes a bit for the pics to download on the other pages but they do download. I know he could see the real thing at any time but just when I think him or the others can't puff their chest out anymore - they see a picture in the paper and they are even more proud!!! So could you please tell me what I need to do to make it where he can see the pics? I would really appreciate it!!

Thank you in advance for your help with this! And again, thank you so much for the fantastic job you did on the Johnson Township unit!!!!

Thanks!
Virginia Elick
