To Whom It May Concern

This is a letter of recommendation for Jeffrey W. Cook and Wildfire Manufacturing of Auburn, Indiana. I have known Jeffrey W. Cook for his entire life. I graduated from high school with his mother and have known his father since high school times for forty years.

Jeffrey W. Cook has been active in our community and has served our local volunteer fire department since 1992. He is a hard-working man and very trustworthy. He has strong family values and a wonderful family. You can depend on Jeffrey to follow through and do what he says. His word is his bond.

Wildfire Manufacturing has been in business since 1999, and has maintained a good reputation during these beginning years. Jeffrey works diligently in getting the job done and paying his bills.

He is very knowledgeable in the firefighting field and an effective fireman. He understands what firemen need and wants to help firemen to a better job in fighting fires. Jeffrey is committed to producing quality products and has good marketing skills.

I highly recommend Jeffrey W. Cook and Wildfire Manufacturing. You will be glad if you are able to build a relationship with him and do business with him.

Sincerely

Dennis K. Kruse  
Member of the Indiana House of Representatives
